February 4, 2021

Dear Parent,

This letter is to remind you of the many events that are coming in the next couple of weeks.

Next Monday, February 8, we will be having school until 3:00 for all students from first grade and up. Please make sure that your student has P.E. shoes for next Monday.

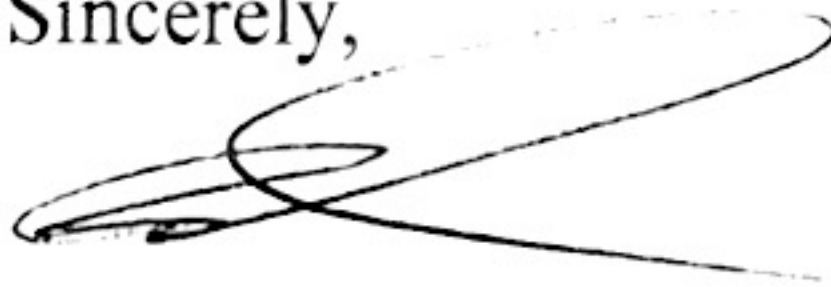

Next Thursday, February 11, we will be having a school winter program at 10:00 in the morning. We are inviting parents, relatives, and friends to come to this event. The students have worked hard, and would love to share their accomplishments with you.

Next Friday, February 12, will be our Valentine's Day Party.

Then on Monday, February 15, there will be no school in observance of President's Day.

Thank you for your help to make this school year as special as we can.

Sincerely,

Marvin Waddel
Principal
