Dear Parent,

We are in the process of planning an end of the school year field trip. It seems like the destination of choice in the past has been Six Flags Discovery Kingdom. Although this field trip is rather pricey, there are many things to interest everyone involved. The animal shows are first class and the rides are always exciting and fun. In order to do an end of the year trip one of the most important things to us is that we want every student that possibly can, and as many parents as would like to, to be involved. When this trip reaches the point that it is too expensive we will have to explore other options for an end of the year field trip. So we are looking for some very important feedback from you.

The cost of doing a field trip like this has gone up in recent years, and there has been another increase this year. **For tickets to get into the park, transportation, and parking we are looking at \$48.00 per person.**

We do not know yet if the picnic in the park option will be available this year.

The date we have set aside for this trip is Friday, April 30. Due to the fact that we have to purchase the tickets in advance we will have to collect the money in advance. *Half of the money will be due by April 1, and the balance will be due by April 15.*

What we need right now is a response to let us know if you will be participating in this trip. We must have enough interest to make it worthwhile or else we will not do this trip this year. Please fill out the attached slip and return to the school by Wednesday, March 24. ***If we do not get enough responses by Wednesday, March 24, this field trip will be cancelled.*** If you do not return the slip we will consider that a response of no interest. Please return the slip even if you are not participating so that we will know how to plan.

Thank you,

Marvin Waddel
Principal

Please include the following students and family members of students for the end of the year field trip to Six Flags Discovery Kingdom.

_____	_____
_____	_____
