April 13, 2021

Dear Parent,

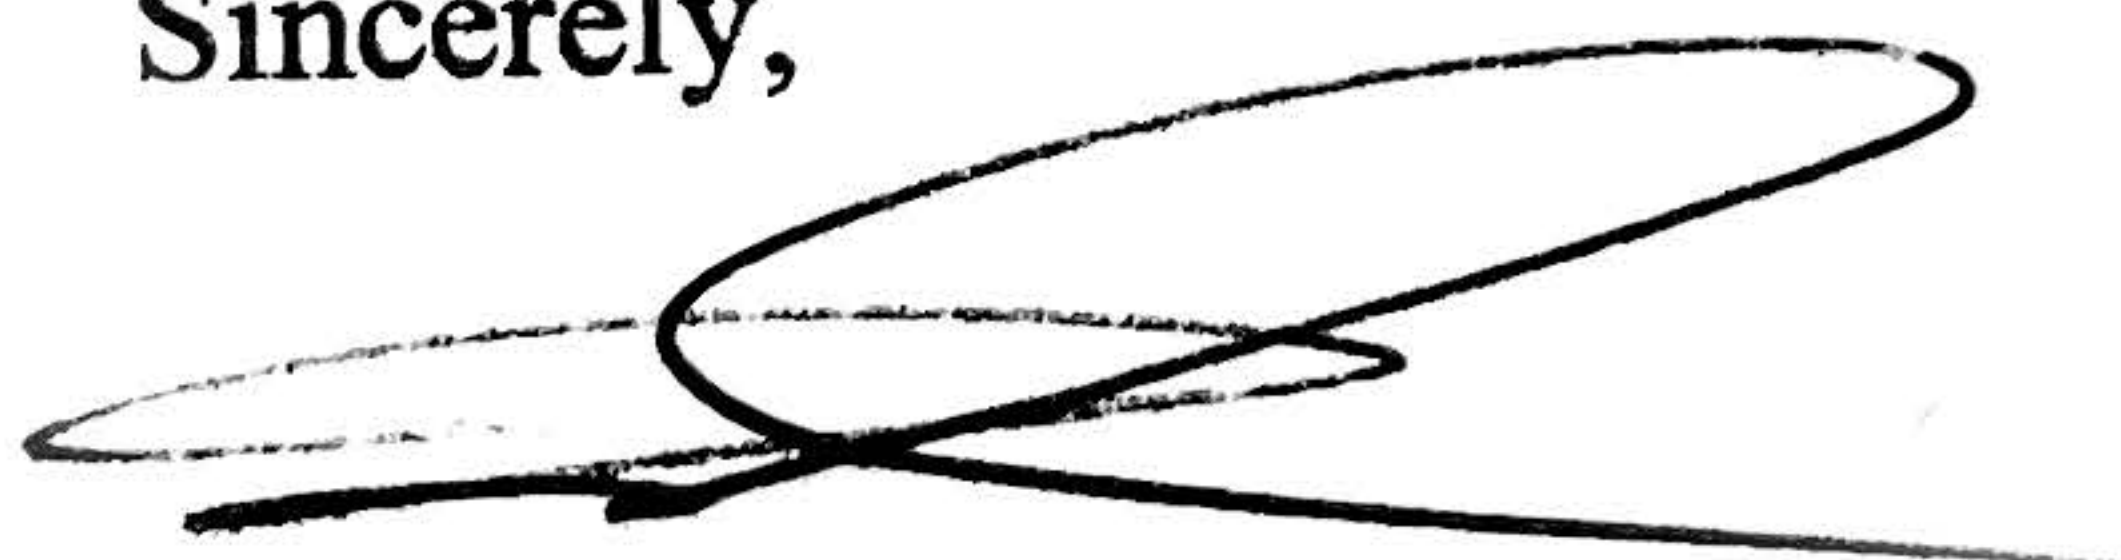

The past year has been a time of making plans, and readjusting those plans over and over again. Once again we are going to have to change our plans due to circumstances beyond our control. We had previously scheduled a trip to Six Flags Discovery Kingdom for Friday, April 30. I regret to have to inform you that we are going to cancel that trip. As we have followed up with the staff at Six Flags, they have informed us that there is a chance that they may not be open on that day depending on how busy they are. The other issue is that all of the attractions may not be open, again depending on how busy the park is. With this kind of uncertainty, we decided not to keep moving forward with this plan and disappoint everyone at the last minute.

However, we do have an alternate plan. We are looking to go to Boomers in Modesto on the same day previously scheduled, April 30. Boomers is not as big of a park as Discovery Kingdom, but there are many attractions for students of all ages. There are Bumper Boats, Go Kart Races, Rookie Go Karts for the younger children, a Rock Wall, Mini Golf, and another attraction they are calling the Flame Thrower. All of these attractions are now open, and are expected to be open for the day of our field trip.

The cost for this trip will be \$31 per person. This includes 4 hours of unlimited attractions at Boomers, transportation, and lunch. The money for this trip will be due on Tuesday, April 20.

We apologize for any inconvenience this may have caused you. We are anticipating having a great day on this trip and hope that all of you will be able to join us.

Sincerely,

Marvin Waddel
Principal
