

February 2, 2022

Dear Students and Parents:

This is an update on the Yearbook Contest. Due to LCS being closed for a week during the contest and so many students and families being sick and unable to sell ads, we will be extending the contest date to February 18. The original letter said that the contest would end on February 11. All ads turned in by Monday, February 7 and 14 will be given casual slips the subsequent Wednesday. All ads must be turned in (ready for print) by February 18. Please be sure and fill out an information slip for each ad, and turn it in with the ad. These can be obtained from teachers or the school office. The person selling the highest monetary amount of ads will receive a free $\frac{1}{4}$ page ad. The contest results will be announced February 23, and ads turned in February 18 will also be rewarded with casual slips on Wednesday, February 23.

If you have any questions or need a receipt, please feel free to call me at 209 604-2970.

Thank you for your help,

A handwritten signature in black ink that reads "Sis. Hyler". The signature is written in a cursive, flowing style.

Sis. Hyler
